**Experience,
Cont.)****GestaltPress (Formerly GICPress)****Editor and Co-Director****8/97-5/01***The GestaltPress is the largest independent publisher of Gestalt books in the U.S.*

Responsible for managing the production, distribution, and quality control of contemporary Gestalt literature published for the worldwide Gestalt community. Selected, developed, and edited book-length manuscripts for publication. Managed content decisions, project timelines, copy editing, formatting, design, layout, and printer/distributor relations. Promoted Gestalt literature at conferences. Assisted in the planning and facilitation of a series of international "Writer's Conferences," designed to provide a framework of support for Gestalt writers developing new theoretical and practical material.

Family Health Services, Inc.**Fee-for-Service Clinician****9/97-4/98***Family Health Services is a community-based counseling agency in Malden Massachusetts.*

Provided in-home counseling to special needs individuals and families on a fee-for-service basis. Processed case paperwork and on-going documentation, including intake evaluations, treatment planning proposals, progress reports and quarterly reports.

Berklee College of Music Counseling Center**Intern / Staff Clinician****9/96-7/97***The Berklee Counseling Center provides on-site counseling services for the students of Berklee College of Music in Boston, MA. The international student population was greater than 40%.*

Conducted individual and group psychotherapy with a multicultural population ranging in age from 17 to 51 years. Served as a referral resource for academic faculty, participated in individual and group supervision, gave case presentations and consultations, and attended in-service trainings. Conceived and conducted outreach workshops addressing substance abuse in the community. Conceived, designed and led specialized psychotherapy groups for artists, and delivered psychoeducational presentations.

Boston Veteran's Administration Outpatient Clinic**Intern / Outpatient Clinician /
Intake Specialist****5/96-9/96***The Boston Veteran's Administration Outpatient Clinic is the National PTSD Center for the Department of Veteran's Affairs.*

Co-led a Trauma Survivor's Group and an Expressive Arts Therapy Group. Performed intensive evaluation screenings as intake specialist for VA's outpatient PTSD clinic. Administered 8-session PTSD diagnostic evaluations, and wrote assessment reports for the inter-disciplinary V.A. Diagnostic Review Board. Evaluations included qualitative interviews, pen-and-paper questionnaires, and empirical assessments (MMPI-II, ASI, CAPS). Managed personal caseload of individual therapy clients while receiving individual supervision. Internship experience.

Discovery Day Treatment Center**Intern / Milieu Clinician****12/95-5/96***Discovery Day Treatment center is an adult psychiatric day treatment facility operated under the auspices of South Shore Mental Health in Quincy, MA.*

Co-led four therapy groups for individuals with chronic mental illness aged 18 to mid-60's, and managed small caseload of individual therapy clients. Acted as liaison with various community-based psychiatric resources. Assisted with planning and organizing community events within the milieu. Participated in treatment planning seminars, individual supervision, and group supervision. Responsible for documenting client progress for private insurance, DMH and other third-party payers. Received individual and group supervision.
